ROAD TO VIRTUAL WORLD

Accelerate Digital Transformation Through Simulation

12th October, 2023 | Crowne Plaza, Gurugram

ABOUT CONFERENCE

SAENIS presents “Road to Virtual World (RVW)”

‘Fasten your seatbelts as we are about to take the “Road to Virtual World (RVW)” with a motto “Accelerate Digital Transformation Through Simulation.” SAENIS is ready to immerse you into the world of Simulation on October 12th at Crowne Plaza, Gurgaon.

The first-of-its-kind conference will be loaded with Keynotes, Technical presentations, Panel Discussions and Expositions, covering topics from Vehicle Dynamics, Strength & Durability, Crash, NVH and Aerodynamics. It will be a unique platform to bring together industry leaders and technology experts, from OEMs, Component Manufacturers, Software Companies, Technology Partners, Consulting Firms, Academia etc for sharing knowledge, and networking.

Theme: Accelerate Digital Transformation Through Simulation

Mobility is the lifeline of modern civilization. Due to strength of consumer demand and regulatory pressure, Mobility is entering a new age of innovation comprising of autonomous driving, electrification, connectivity, and shared mobility. These advances require a new design ecosystem that could offer reliable, faster, cheaper and more customized solutions.

Digitalization will play a key role in transformation from traditional ways to new / innovative ways for better attention to detail while reducing the development timeline, cost and resources by shattering the barriers of physical world. Simulation, being at the forefront of Digitalization, is an essential technology to achieve these goals. In line with the same, theme for Road to Virtual World is set as “Accelerate Digital Transformation Through Simulation”.

Who Should Attend

- Senior Management from OEMs, Component Manufacturers, Technology Partners & Software Companies
- CAE Experts and Engineers
- Scientists and Researchers from Research Institutions
- Academia
- Consulting Firms

PROGRAMME

Time Slot	Session
08:00	Registration & Welcome
09:00-10:15	Inaugural Session Lamp Lighting and Inaugural Address by Senior Dignitaries
10:15-11:15	Keynote Session 1 Presentations by Industry Leaders and Technology Experts
11:45-13:30	Keynote Session 2 Presentations by Industry Leaders and Technology Experts
14:15-16:00	Keynote Session 3 Presentations by Industry Leaders and Technology Experts
16:30-17:30	Panel Discussion Topic: Accelerate digital transformation through simulation Panelist: Top Leadership from Industry
17:30	Summary & Vote of Thanks

ORGANIZERS

SAE India Northern Section (NIS), is one of the five sections of Society of Automotive Engineers India for promoting membership from industries, institutions and technical colleges and for organizing activities related to mobility engineering in the Northern India Region. The society organizes technical lectures, expositions, training programs, visit to industrial facilities, scholarships, and awards for student members.

SAEINDIA is a premier professional society that serves the mobility engineering community engaged in the design, manufacturing and service of self-propelled vehicles and systems that move in and, air, space and sea. It has 4,000+ professional members and 40,000 student members. SAEINDIA is the largest strategic alliance partner of SAE International.

SAE International is a global association of more than 1,28,000 engineers and related technical experts from over 100 countries representing aerospace, automotive and commercial vehicle industries, committed to advancing mobility knowledge and solutions for the benefit of humanity.
